## Chapter 1 by Meggy

Lets start off by saying this, you know who I am, I am who I am. I mean part of the beauty is that I'm rich. I want to make america great again. I mean, ever since my father gave me a small loan of about one million dollars back when I was 5, all I ever wanted to do was to become president! I don't care if I'll burn this country to the ground, the wall will fix all my problems. Eight Syrians were just caught on the southern border trying to get into the U.S. Isis maybe? I told you so, we need a big, beautiful wall. But don't forget When someone crosses you, my advice is 'Get Even!' That is not typical advice, but it is real life advice. I've never really been good at...

## Chapter 2 by Florenceia

...Being a nice person, but so what? I'm rich and I can buy your entire life away, so why should I bother to care about you. Vote Trump and Make America Great Again!!!!

Chapter 4 by Florenceia

Everyone is wrong, besides me, of course. I'm the smartest person who ever walked the earth, so why do you think you can challenge me Little Rubio. Ohh look your gone, wonder why?

### Chapter 5 by Joy Milton

Everyone is Spectacular! My sons are spectacular, my wife is spectacular, my campaign speech is spectacular! I'm so spectacular that I can't even answer a question with the correct response! Cruz is a bald faced LIAR about everything and I'm going to make abortion a crime! Vote for me and that wall will be built! Right over the White House! I can buy a new country, so why should I help protect this one. Hey, Isis, North Korea, Bombs away!

### Chapter 6 by Molly

If I can keep my hair from flying off of my head and never seeing it again-

If I can run a multi-billion dollar corporation and not get killed in a fit of rage by my employees-

If I can have a wife (third time's a charm) who looks like Sofia Vergara and Meryl Streep had a baby-

If I can threaten to build a wall between us and Mexico and have the gall to make them pay for it-

If I can blatantly disregard the needs of all people other than old, rich, white males-

Then sure as h--- I can be president.

AND DON'T YOU FORGET IT!
